**Health and Safety**

If your child is required to have a COVID-19 Test you need to advise the Director. Ensuring that you send a copy of the test results to the Service, via email or text prior to your child's return to care.

If your child does show cold or flu like symptoms, they will be kept in a suitable separate area to await pick up by their parent/carer. To avoid causing unnecessary anxiety, games and an activity will be brought in for the child. Whilst awaiting parent or carer arrival.

Emergency drills are practiced randomly throughout the holidays. The evacuation plan is in place and located at the exit of each room.

First aid kits can be easily accessed which are always stocked.

At all times we will have educators on the grounds and on excursions who hold a current first aid certificate, as well as asthma and anaphylaxis training.

Parents will be contacted, and will be required to collect children, if their child becomes ill, injured or appears distressed.

Parents will be informed if there are any infectious diseases in circulation.

**What NOT to bring**

**We are a NUT AWARE CENTRE**

**Please do not send any NUT products with your child to the centre, as this service has children with nut allergies.**

Money, toys, electronics etc. Staff are unable to take responsibility for valuables, so children are encouraged to leave such items at home.
